on the Brookeville Pike.

•

LANDSCAPE DEPARTMENT

offering complete landscape service.
Designing, planting and maintenance.
Estimates cheerfully furnished without charge.

•

For any flower or garden service,

Phone: DUpont 7000

CONDITIONS OF SALE

Because plants are living things, they cannot be handled and sold as other merchandise. Our sales practices recognize this fact and are explained in considerable detail to avoid possible misunderstanding.

PLEASE READ CAREFULLY

QUOTATION: The cost of handling plants varies with the season and with the condition of the plant at the time the estimate is given. Even a few days' delay in accepting an estimate may make a great difference in costs. All our quotations, therefore, are for acceptance within 10 days. All quotations are based on average plants of our selection. Plants chosen especially by customers at our Nurseries will be charged for according to their value either more or less than the list price.

WARRANTY: All plants are warranted true to name and description, to be properly dug and in good condition when they leave our hands. For any plant not true to name, a new one will be promptly delivered. Stock delivered in good condition and according to order is not returnable because it must be replanted to preserve its life and because rigorous plant quarantines prevent us from bringing plants back to our Nurseries from certain zones.

GUARANTEE: We guarantee that any plant **we plant**, that receives reasonable care will be alive one year after planting. In the event of the death of any such plant within the year, we will deliver to the purchaser upon request a plant of the same kind, as near the same size and value as may be available in our Nurseries. Planting, if desired, will be charged for at cost. This guarantee does not apply to annuals, perennials, dormant roses or plants in tubs or boxes for these plants depend for life more upon constant care than skillful planting. We guarantee potted roses to bloom the first season.

TERMS: All accounts are due in 30 days unless a credit extension is arranged in advance. Garden Clubs, Buying Associations or Individuals wishing to buy in quantities (100 or more of any one variety for deliver at one address) will be allowed a discount depending in amount upon the size of the order and determined in each case at the time of purchase. Failure to pay bill in 30 days or make payments as agreed automatically cancels the guarantee and any discount.

DELIVERY: Prices quoted include delivery to Washington and nearby Maryland and Virginia.

PRICES quoted are subject to prior sale and to change without notice.
